I believe he's come here
to fuck me today.

Timir is not timid. He's an amazing, caring lover who is here to please me. I love the way he licks my pussy; and I love the way his cock feels and tastes in my mouth. I can't wait for it to fuck my pussy because he's made it so wet. Did I mention that his cock spurts out his cum so nicely? I like to watch it.

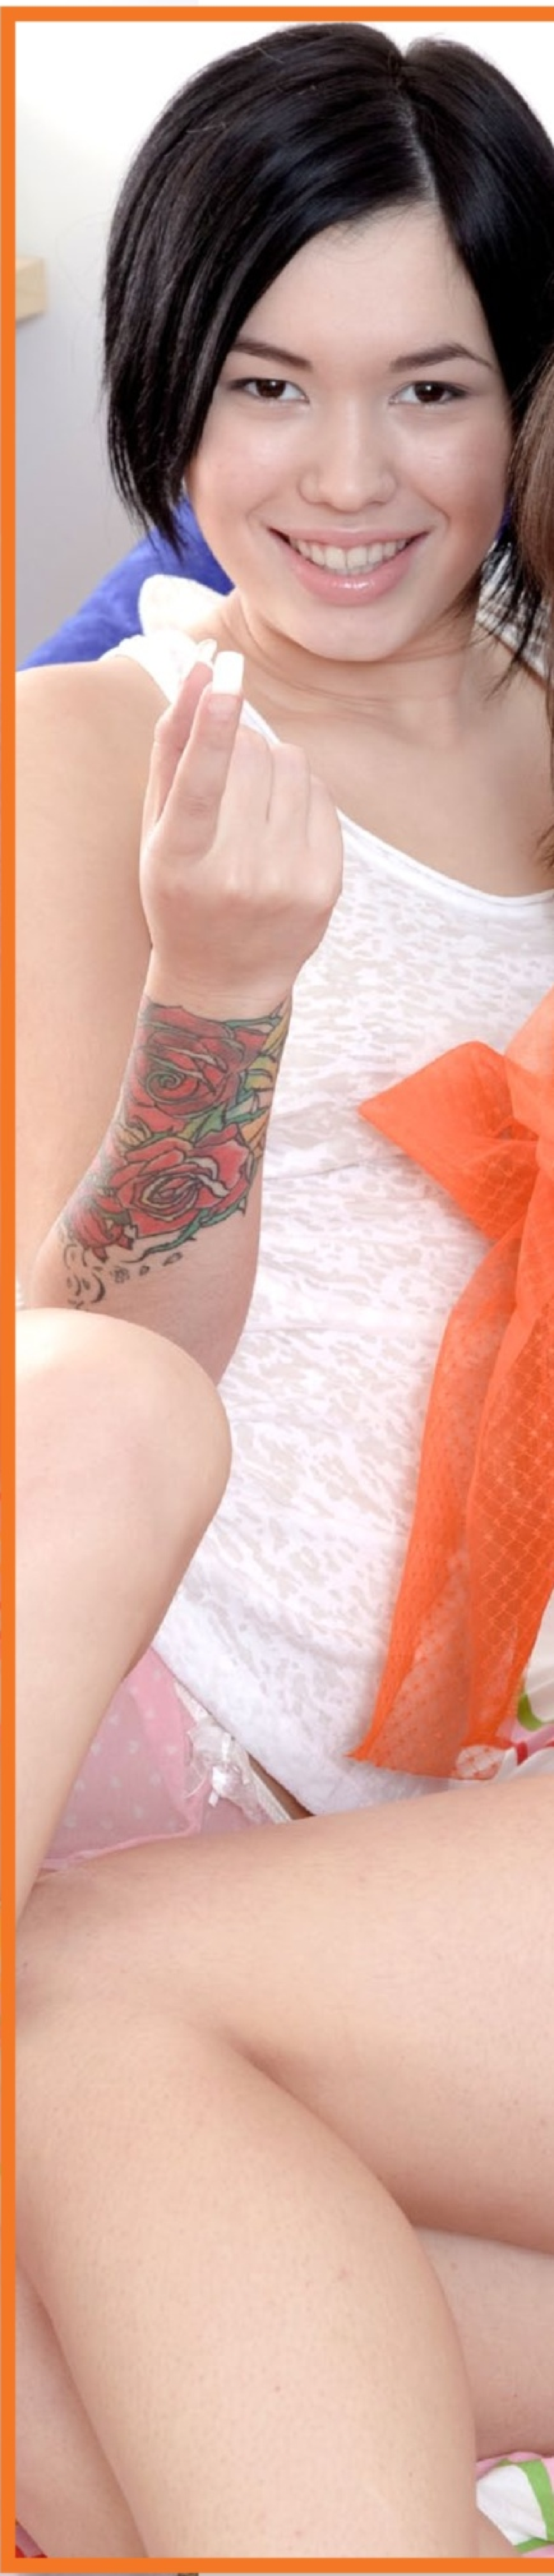
guess what my birthday presents are today?

jade & jane



Okay, I'm Jane and I just turned nineteen today. My roomie asked my crush to come over and he brought me a cute little dildo for my birthday gift. While I liked using it. Jade and I thought his cock was a much better present. So we got him out of his clothes as fast as we could and got right down to it. He brought a friend who took pictures and a video we want you to watch.

I hope my pussy's not too tight for his cock.

I'm quite pleased to have you watch me fuck here today. I wasn't sure if I was ready to have all these cameras around, but everyone was so nice and after a while I didn't even feel them. What I did feel was a nice warm big, fat cock being shoved into my tight little pussy. I have to admit that not too many cocks have been in there before. Maybe one day there will be room for another. Yours, maybe?

tell us like it is

it's a dry heat

Last year I was dating a hot eighteen year-old woman-girl who had long blonde hair, beautiful blue eyes, and an extremely pretty face. I have to admit, even now, our sex life was always fun and often adventurous. One time, during a hot summer day in Phoenix, we were at my house, just hanging around. The heat was pretty intense outside and in, so our energy level was low. They call me JD and Amanda had crashed on my bed while I did the dishes from the day before. After I finished, I went to see if she wanted to do something and when I got to my room my energy level immediately jumped up.

Mandy, as I call her, was propped up against the headboard thumbing through a magazine with her T-shirt pulled up. I stopped in my tracks and took in the sight. She had the most perfectly shaped, firm breasts I have ever had the pleasure to see, and play with. Even with the air conditioner going, there was a light coat of sweat covering her chest that made them shine from the sunlight passing through the bedroom window. At that point, I didn't care about the heat. All I wanted was Mandy.

I went over to her and climbed on the bed next to her. I leaned in and gave her cheek, then her nipples soft kisses. That brought a smile to her face. Then I started making little circles around her nipples with my tongue. She closed her eyes and softly moaned. Amanda loved having her boobies sucked. She took the hand that was pinching her nips and pushed it down toward her pussy. I sucked her nips some more and began to rub her pussy through her shorts. Next, I gave her a long deep kiss, then I proceeded to slide my tongue down her neck, between her boobs, then down to her shorts. I gently removed her shorts to expose her perfectly shaved pussy.

Starting from her calf, I slid my hand up the inside of her leg. Knowing how much I love to eat her pussy, she started to squirm, trying to get me to hurry up. When I finally did reach her pussy, it was absolutely drenched. That brought a smile to my face. I licked and sucked her clean. Amanda had the best tasting pussy in the world. I loved it, and so did she.

I ran to the bathroom and took a vibrator from one of the drawers. Before I went back into the room, I told her to close her eyes. She giggled nervously. I pulled Mandy's legs off the edge of the bed and knelt down on the floor between them for easy access to her hairless pussy. I turned on the vibe and touched it to her pussy lips. Then I opened them with my other hand and touched the buzzing vibe to her clit.

She giggled, saying it felt really good. That changed when I slid the entire vibe quickly deep into her wet hole. She gasped. Then I quickly pulled it out shoved my tongue into her pussy, and sucked up her juices. I did this three or four times before she told my to put it away and come into the bed. I pulled my shorts off releasing my rock hard cock. I teased her a little by rubbing the head of my cock against the outside of her pussy. Anxious for a fuck, she grabbed it and shoved it into her hot box, giving me a scolding look because I took too long to put it in. So I jammed my cock all the way in and her head flew back against the headboard. Yes, it's padded. That afternoon, we fucked on the bed, on the floor, standing up and sitting down, until we both came several times.

Finally we took a shower together, taking turns washing each other. We fucked in there too until the hot water eventually ran out. Mandy and I went to the movies that night and afterwards had dinner out at a local pub. As the summer months ended went by, we eventually had to go back to college. I hope Amanda reads this and gives me a call. I'd love to kiss her breasts once again.

road tripping

Hi there, I'm Erick and Candace and I were on a road trip to Dallas from OK City. We like taking these types of road trips because there's nothing like the feeling of the wind through your hair. Yes, I have a convertible. It's nothing fancy, just a 2008 dark blue Ford Mustang. As we always do on these little day trips, neither of us wear underwear. Can you guess why?

She was soaking wet, and her fluids were slowly sliding down her thighs. Leaving my two fingers in her, my thumb went to work on her clit.

Today, It's pretty warm so we're both in loose-fitting clothes. Candace's shirt was sleeveless, and her tits were pretty exposed since she only had one button closed. The breeze flapped around the material giving me, and anyone else, quick glimpses of her full boobs. She had her jean shorts undone and opened in a deep V that stopped just above her pubic hair, nicely trimmed, I might add. She would adjust herself in her seat, exposing her pussy lips for a moment, then readjusting to cover them up. I know she was doing that to excite me just as we reached a busy stretch of southbound I-35.

I was already pretty hard and she was making my cock throb even more. Reading my mind, she decided to prove that she was just as turned on as I was. In a heartbeat she had pulled off her shorts and turned towards me and raised her left leg onto the back of my seat. Well, that exposed her pussy right in my direction. She rubbed it a few times, getting it primed for someone's fingers, hers or mine. I couldn't resist probing it with my right hand. Had to keep the left on the steering wheel! First one, then two fingers. She was soaking wet, and her fluids were slowly sliding down her thighs. Leaving my two fingers in her, my thumb went to work on her clit. She twisted and squealed and thrashed, but she did not push me away.

It was hard not too look but I had to be mindful of the freeway traffic and, of course, the speed limit. As I looked over at her one time, I noticed a long-haul semi pulling up alongside in the passing lane beside me. But he wasn't passing. I'm now doing at least 65 miles an hour and this dude is looking right into my car. That's when Candace decides to reach over the stick shift. Before I could stop her, and while I was still struggling to control the car, she had my shorts down to my knees and had swallowed my cock!

The semi slowly pulled forward, the driver giving me a thumbs up and pulling twice on his air horn as he continued by. I was about to completely lose it, but I knew I couldn't drive under these circumstances. Assuring her that I loved what she was doing to me, I frantically pulled into the next rest stop a few miles later.

The parking lot was full, but we didn't care who saw what was happening. I pulled way over to a more secluded corner at the end of the parking lot After we stopped, I pulled Candace's pussy to its rightful resting place, straddling my cock. She pulled both of our shirts open and rubbed her boobs against my chest. The feeling was sublime. She hungrily attacked my mouth as she humped on me and soon we both rocked to orgasm. We panted in each other's arms for a few minutes, pulled our shorts back on, and drove away, headed to the big D.

three on a bed

Francis, a good friend of mine arrived at the restaurant with the cake and a bottle of champagne. My long time boyfriend, Stefan, and me, Shane, were having a celebration for our graduation from college. There were about twenty people there and we had a great time drinking and dancing until around midnight when they decided to kick us out. Because we didn't get around to drinking the champagne during the party, Francis suggested we go back to her house afterwards and finish it off. We left and drove to her place.

The two hours of reminiscing went quickly as we sat on her bed and finished off the champagne. At the

end, our conversation turned to famous female actresses we'd like to be stuck on a deserted island with. My choice was Marilyn Monroe; Stefan said he liked Elke Sommer; and then asked Francis. To our surprise, she said Katherine Hepburn who wasn't known as a sexpot. Stefan asked if it was because of her famous boat ride with Bogart or because she may have been gay. Afterwards, Francis smiled and didn't say anything.

Her silence shocked me a little. I had no idea that Francis could have been attracted to women. While I was getting to know her better over the preceding months, I had become very attracted to her but never said a word. I never thought we would actually get involved sexually, but here was my chance, I thought. Stefan continued to ask her more probing questions as I started running my fingers through her silky hair. I was so excited, I was almost having a hard time breathing!

Suddenly but slowly, Francis turned and kissed me, tentatively at first, then quite passionately. Her tongue played with mine and I was in heaven. I was trying to take it slow because I didn't want to scare her, but she grabbed my hand and put it on her breasts. Okay, I thought, this is really it. I pulled off her shirt and then her bra. I rubbed her firm young boobs and sucked on each nipple until they were hard. She took off my shirt and fondled mine in return. By now Stefan had found a comfy section of the bed's real estate and was watching us intently.

When I reached her belly, I pulled off her pants and cotton panties. I pushed her back on the bed and lay on top of her while I kissed my way down her body. She didn't have any hair down there, which kinda surprised me, but made it easy to see her wetness. I rubbed her juicy pussy, then I licked it. She pinched her own nipples and cried out as I continued licking and sucking that sweet pussy while I finger-fucked her. She then grabbed my head and pushed my face deeper into her pussy. I obliged by inserting my tongue as far as it would go.

In my sexual heat, I temporarily forgot about Stefan since I was so into eating her pussy. I felt him pull my pants off from behind so I lifted my ass into the air. His rock hard cock was now pushing against my love hole. He pushed it in and fucked me from behind while I ate Francis's pussy. She bucked her hips and loudly cried out that she was cumming. I furiously licked her until she had finished. Then I lay down next to her and kissed her so she could taste her pussy juice on my tongue.

Stefan proceeded to kiss Francis, too, then sucked her perky boobs. I took his cock and introduced it to her mouth. She eagerly sucked on it for several minutes until I pulled it out and pushed it into her juicy pussy. I grabbed his ass from behind and pushed so his cock went deeper. Then I grabbed his flopping balls and pulled them back and down. He moaned in pleasure and pumped her harder. She moaned for Stefan to fuck her harder. He happily obliged, ramming his cock in and out of her wetness. What a screamer she was.

Finally she came hard as I sucked hard on her nipples and played with his balls. He pulled out just in time to splooge on her tummy. I moved my head down to lick it up. He backed off her and fell on the bed. We all decided that this was the best graduation present.

sasha

PLEASE – make my ass happy!

I hope you guys will take the time to appreciate what you're about to see. Me, Sasha, a sweet young thing about to have my ass plowed by a delicious mass of man meat. I admit that I've done it once or twice before and it's an absolutely fabulous feeling. So let me get down off this crate and welcome that cock waiting so patiently over there to make my ass a happy place.

three's company too

Semester exams had just ended. Most of the university had already gone home for the break but Diane, Michelle and Maria had to stay in the dorm because their parents were coming the next day to get the, This was their last night on campus until school started again in a week. The three decided to get together in Maria's room for a little going-away party. Michelle brought the drinks and Diane brought the fun. Maria was already in the room when the others showed up. First Michelle, then Diane showed up almost a full half hour after their agreed upon time.

When she got there, they quizzed her tardiness, wondering if something had happened. But no, she was out shopping for a couple things and it took her a little longer than she expected. They sat around and drank some wine and grabbed away about the past few months, and of course, the exams. They all thought they aced them, but Michelle was just a little unsure. Diane then decided to take the party up a notch. She got her backpack and pulled out a long package. The other two started to giggle. Then Diane rips the paper off and reveals a bright red eighteen-inch double-ended dong. The giggling continued and intensified. Diane pulled another smaller wrapped item and opened it to reveal a butt plug and small tube of lube.

Looking at each other, they decided it was time to get naked. Taking off all their clothes, they threw them on the floor. Maria lay back on the bed slowly, legs wide. Diane mirrored her position, so their pussies would be open and nearly in alignment. Michelle's voice was a firm and demanding as she lifted the large double-dong. She smiled as she looked at the two waiting pussies stretched out in front of her.

Michelle bent down and put her face near the two pussies. Her long tongue came out to lick Maria's pussy, then Diane's. Both recipients moaned and rolled their hips with pleasure. Maria tensed with anticipation when she felt Michelle fitting the fat knob of the artificial cock into her wet pussy lips. She felt herself stretching and giving way, slowly and with just a hint of the most wonderfully delicious discomfort. Michelle emitted a polite squeal and pushed the head of the dildo into Maria's pussy.

Diane and Michelle pushed the fat dong further into Maria's tight pussy. Four, then five inches slid in, stretching and reaming her pussy in the most wonderful way. Maria told Michelle to put the other end into Diane's waiting kitty. Maria groaned again as she felt the dong buckle and move inside her, responding to Michelle efforts to align it with Diane's

pussy. Diane grunted out loud as pleasure overtook her when the insertion was made. Maria groped blindly till her fingers found Diane's. They gripped each other's hand and began working their pussies toward contact, swallowing more and more of the big, slimy, double-ended tube snake.

Soon, Maria felt Diane's smooth shaven kitty rubbing against her labia. Diane rolled halfway onto her side and Maria forced their pussies completely together. Michelle, the beautiful blonde woman was staring at the lovely sight of two sweaty women impaling themselves on opposite ends of the amazing toy that they shared. The sight was having its effect. Michelle's face, throat and chest were flushed, her breathing was shallow and rapid and her nipples were so swollen, they looked ready to burst. Her soft lips were parted and slightly and from time to time, the tip of her tongue flickered across them.

Maria softly urged Michelle to slide the butt-plug into Diane's pucker. Michelle leaned in and rubbed some lube around Diane's butt hole and she slid the butt-plug into position. Maria felt Diane stiffen when it began to penetrate her anus, then she heard the deep sigh of contentment as the hard rubber device was securely lodged inside.

Michelle joined in closer to the two girls in heat. Her wet, hungry lips explored the thighs and bellies of each impaled woman in turn, then finally moved between the two swollen clits. She kept her tongue between the two women and flicked it back and forth, as quick as a pink tuning fork, licking at the tips of the two engorged clits. Maria reached over with one hand to cup Michelle's breast. She closed her fingertips around the tiny, hard nipple and pulled on it slightly. She was rewarded with the soft exhalation of Michelle's excited groan.

Spurred on by the visceral sounds of the sex going on, Maria pinched the nipple hard and Michelle shook and shivered, and for a moment could only rest her cheek on Diane's moist belly. Maria reached over and fingered Michelle's kitty. Michelle complied by visibly trembling with pleasure as she slowly worked them in and out. Diane's groans of pleasure were muffled in the liquid softness of Michelle's wet pussy.

Soon, Maria slowly worked herself off of the long dong, regretting the emptiness its removal left inside her spasming pussy. She quickly reversed herself on the bed, licking the insides of Diane's quivering, wide-flung thighs. She gripped the end of the dong and pumped it quickly, almost savagely, in and out of Diane's young pussy. The blonde gasped and bucked at the combined stimulations of Michelle's tireless tongue and the huge rubber phallus inside her. Maria pushed more and more of the big plastic rocket into her girlfriend, till almost a foot of it was buried inside Diane's hungry pussy. And then she pulled it out, completely with a loud suction noise.

Maria heard Diane's muffled howls of frustration and saw how her pussy still pulsed and drooled its own juices. She groped for and found a tube of the lube and smeared it on her fingers. Then she slipped three fingers into Diane's pussy. Diane's ensuing moans were clearly audible. Maria tucked a fourth finger into Diane's sopping kitty and waggled her digits back and fourth in the wet pool of Diane juice. Diane screamed some more and bucked her hips. Maria kept it up for more than a minute, then slid her fingers out of her beautiful friend and moved up on the bed. Maria whispered to Michelle that it was her turn to sit on Diane's face, her voice raspy with lust. Michelle sat up slowly and turn passion-glazed eyes on Maria.

Michelle slowly hoisted herself off Diane's face. Maria looked at the strawberry blonde's face and saw Diane was absolutely soaked with Michelle's juices. Diane's face was slack, her lips were open, her eyes

were closed, her hair was a mess, and her tongue was still outstretched. Maria lowered her pussy directly over Diane’s yearning tongue and shivered as she felt the slick pink mouth muscle move against her pussy and clit. She ground her pussy down onto Diane’s mouth, her hands squeezing and pulling Diane’s rigid nipples at the same time.

Slowly the lusty blonde woman slithered into place and immediately began working her remarkable tongue around Diane’s hungry pussy. Diane vented her pleasures on Maria’s kitty but Maria had something else in mind. She leaned forward and her tongue joined Michelle’s on Diane’s pussy and clit. Maria felt a wave of lust rush through her as she watched Diane take Maria’s pussy, lips and all, completely into her mouth and was wildly licking and sucking. A series of small orgasms was detonating inside the coed, but she didn’t let them distract her.

Maria and watched the beautiful blonde’s eyes close almost all the way as she complied. Maria grabbed Michelle’s forearm and began pumping the fingers in and out of her friend’s pussy as if she were using a dildo and not another woman’s fingers. Beneath her, Diane was writhing and bucking, stiffening in orgasm from time to time from the twin pleasures of Maria’s tongue on her clit and Michelle’s fingers in her pussy. She began rolling her hips in sharp, tight circles, trying to absorb Michelle’s fingers. She was sucking crazily on Maria’s pussy now, her tongue trying to get ever deeper into Maria’s sopping hole.

Diane writhed as Maria licked her pussy. She was bowed up off the bed now and Maria felt the orgasms washing through Diane. She moved her hand higher on Michelle’s arm, near the elbow, and rammed the blonde woman’s finger’s deeper into Diane’s welcoming pussy. Michelle turned her face to Maria’s. A tiny, evil smile played across her lips and she suddenly moved her head forward and kissed Maria. Maria opened her mouth willingly to that probing tongue. When she broke the kiss, she saw that Michelle was pumping Diane’s insatiable pussy with her fingers.

Maria climbed off Diane’s face and the young blonde immediately let out a scream of sheer pleasure. Her hips crashed down to the bed and bucked wildly. She crawled over to the big double dildo and impaled herself on it, holding it with one hand while the other hand moved frantically over her clit. She crawled around behind Michelle while Diane let loose another wild scream. She knelt behind Michelle, raised the other end of the dildo and nestled it against the gooey, gushing lips of Michelle’s upthrust pussy.

Maria pushed the big dong forward. Michelle emitted a sharp yelp of surprise and then pushed back with her hips. The huge rubber knob stretched Michelle’s small pussy and then easily slipped inside. Michelle cried and pushed back for more. Diane screamed her pleasure again and started grunting and moaning as she came and came. Maria pushed the big rod forward, feeling the back pressure from Michelle’s tight pussy. She got about five inches into the blonde woman, then pulled back and rammed forward again.

Maria began fucking in and out of the constricted blonde’s pussy, savoring the hunching and stretching of the toy inside herself while her fingers plucked at her swollen clit. She was cumming nonstop, orgasm after orgasm cascading inside her and building strength. The sight of Michelle’s tongue on Diane’s clit and the sight and sound of Diane’s powerful, unceasing orgasms combined with the physical sensations and the smell of overheated pussy sent Maria higher as the pleasures tore through her. All three were cumming now, all three were lost in pleasure. All three would end up spent on the bed with toys still in their pussies and ass. Soon Maria was cuddled to Diane’s left side, Michelle to the right. All asleep.

I had never heard the term 'newbie' before. Then I heard it applied to me because I was new to making an adult video. It's a fun moniker and I wear it with pride, because if I keep doing this, which I plan to do, then it won't last too long. See you all in future pictorials and videos.
